VA recruiting volunteer drivers to transport Veterans for medical appointments

NEW ORLEANS— The Southeast Louisiana Veterans Health Care System is recruiting volunteer drivers to transport Veterans to and from medical appointments.

Using vans maintained by the Southeast Louisiana Veterans Health Care System, drivers will transport Veterans from the New Orleans Veterans Medical Center at 2400 Canal Street to and from VA Community-Based Outpatient Clinics located in Baton Rouge, Houma, Slidell, Franklin, Bogalusa, St. John and Hammond.

To be considered, volunteers must have a valid driver's license, proof of current insurance, a safe driving record and a clear background check. Applicants must also pass a physical exam.

Volunteers are eligible for free meals, the COVID-19 vaccination, annual flu shots, and other benefits from the Southeast Louisiana Veterans Health Care System's robust volunteer recognition program.

For more information or to become a volunteer driver, contact the Voluntary Service Office at 1-800-935-8387 extension 62105 or vhanolvoluntaryservice@va.gov and visit www.volunteer.va.gov.
